Granite Mountain Republican Women ShoutOut Newsletter January 2022

Message from GMRW President, TeriAnn Neigel

Happy New Year!

The start of each New Year is a time to reflect on the year just past, and make plans for the future. It holds a special magic, with a promise of new opportunities and the possibility to change our lives for the better. With each passing year, we learn and grow.

2022 will bring its own challenges to each and every one of us, individually, as families, and collectively as a country. We must all resolve to meet those challenges head-on, particularly where our country is concerned. As citizens, we can no longer sit back, remain quiet and expect others to do the work for us. In 2022 we must make a resolution to become informed and involved in our future.

Granite Mountain Republican Women resolves to do the best we can to help our members stay informed and to keep you abreast of opportunities to become actively involved, in issues that affect us locally, state-wide, and nationally. One the first opportunities is coming up soon.

The 2022 Arizona for Life March and Rally is a celebration of life designed to inspire, educate and activate the pro-life community in Arizona. Hosted by the Arizona Life Coalition, an organization which unified and activates the community of organizations dedicated to the sanctity of human life, this energizing, family-friendly, and bilingual pro-life event features Alveda King, niece of the great Reverend Martin Luther King, Jr., Bishop Thomas J. Olmsted, and Karyme Lozano, the famous Latina actress and advocate for Life. The march will be held on Saturday, January 15th in Phoenix. The march begins at 10:30 @ 7th Ave. and Washington. You are invited to join the pro-life community of Arizona in downtown Phoenix for the 2022 rally. This is a family friendly event with food trucks, music, and inspirational speakers. As a part of the march and rally, we will be remembering the 13,097 children lost to abortion in 2019. For more information go to: <https://www.azliferally2022.org/>

However you choose to become involved this year, remember that each and every one of us is vital to preserving the future of our great country and protecting the principles and values that make her great.

My wish for each of you for the New Year is that you be blessed with health, peace, happiness and prosperity.

"The LORD bless you and keep you; the LORD make his face shine on you and be gracious to you; the LORD turn his face toward you and give you peace."

“January was named for the Roman god Janus, known as the protector of gates and doorways who symbolize beginnings and endings. Janus is depicted with two faces, one looking into the past, the other with the ability to see into the future.”

The Past.....What a year! We got our charter in February and off we went straight to the top! Our membership grew very fast ending with 209 total members! Along with our growth in membership, we became relevant in Prescott and surrounding cities as well as in the local and state Republican party.

Additionally we created our own traditions.... such as our yearly Casino Fundraiser and our amazing Christmas Extravaganza !

Oh.... and did I mention the 6 awards earned and recognized by the Arizona Federation of Republican Women! *Thank You to all our 2021 members for*

making GMRW strong and relevant in our charter year!

The Future..... At this time, many of 2021 members have already renewed and we are now open to new members for both primary and associate. There is still time to renew - but don't delay as we have many amazing events coming up! **Go online now to renew!**

Thank you again for your loyalty and participation - I am looking forward to another strong year filled with amazing and passionate women (and men) of GMRW!

Legislative Updates excerpts from fairmapsarizona.org

"As a result of two long years of our work, the Arizona Independent Redistricting Commission has adopted final congressional and state legislative district maps that undo the damage caused ten years ago...

No map is perfect, but the districts the commission has drawn are fair. These districts do a much better job of respecting communities of interest around the state.

In particular, our rural communities - which were without a voice for the past decade - have gained real representation. Many areas of Maricopa County which were inappropriately joined have been properly separated. Pima County has a potential Republican district for the first time in a decade.

One point that is often overlooked is that fair district boundaries are the heart of election integrity. Without fair districts, many votes are devalued no matter how accurately they are counted. The new maps restore integrity to Arizona politics."
